

An MPI Intensive Weekend of Spiritualist Study

# Bridge Crossing

## A Clear Understanding of the Processes and Practice of Spiritualist Methods For Unfoldment of Healing and Platform Mediumship

*The foundation of this bridge rests on the solidarity of all the different parts of the one Spirit World of this earth.... All parts of it are swayed by the same great natural forces. All parts are occupied by souls of greater or lesser advancement in spirituality.*

—Abby Ann Judson, 1894

An opportunity to strengthen the bridge of Spirit Communication between the two worlds. A bridge upon which people in the Spirit World may come to us and we go to them.

**Friday evening through Sunday, April 24-26, 2020**  
**Morris Pratt Institute, Milwaukee**  
**Tuition \$250 by March 31**

The weekend, facilitated by Jim Ehrhart and June Killmer, will include immersive, interactive, hands-on experiences. Students participate in various spiritual techniques, leading to relaxation, fruitful meditation, prayer, attunement of body and soul, spiritualization.

**THE EDUCATIONAL FOUNDATION UPON WHICH SPIRITUALISM IS BUILT**

# Bridge Crossing

The intensive weekend's Spiritualist studies are based on Abby Judson's two books: *The Bridge Between Two Worlds* and *How I Became a Spiritualist*.

**Objective** is to assist Spiritualist students who are interested in pursuing a more learned and spiritualized understanding of Mediumship. Emphasis is Mediumship demonstrations on a church platform and in healing.
