Many of these courses use the books listed and a workbook compiled for the student to draw answers from the book to assist in their learning. They all serve as a wonderful course of study for adult Lyceums, while allowing the student to earn **Continuing Education Credits**. The completed work is sent to the Morris Pratt Institute for grading. A certificate of completion is awarded to students with a grade point average of 75% or above.

* Please contact the MPI bookstore for information on availability and pricing of Books needed for these courses.
